INTELLIGENT SWITCH SERVICES (“ISS”) attests to its qualification for streamlined processing under 63.12 as follows:

- a) ISS is not a foreign carrier, nor does it control a foreign carrier as defined in Section 63.09(d), in any destination market.
- b) No two or more foreign carriers, or parties that control foreign carriers, own more than 25% of ISS, or are parties to or beneficiaries of a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.
- c) No owner of ISS controls a foreign carrier in any country.
- d) ISS has no affiliation with a dominant US carrier whose international switched or private line services which ISS seeks authority to resell.
- e) ISS seeks authority to provide switched basic services over private lines only to countries for which the Commission has previously authorized the provision of switched services over private lines.

ISS seeks authority to provide switched services over private lines pursuant to 63.16 as follows:

ISS will only provide switched basic services over its authorized private lines if the country at the foreign end of the private line appears on the Commission list of destinations to which the Commission has authorized the provision of switched services over private lines. CCNSI does not seek to add a foreign market to the Commission’s list at this time.

ISS responds to 63.18 (d), (e)4 and (g) as follows:

- (d) ISS has not received previous authority under Section 214.
- (e)4 ISS requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2).
- (g) ISS does not seek facilities-based authority as defined by Section 1.1306, therefore no environmental assessment as described in Section 1.1311 is applicable.
